

# **OSEEC: The Open-source Social Engineering Education Course**

# Unit A - Carnegie

## Week 4 - Part 2

### How To...Part 4, Sections 1-3

## Part Four:

Be a Leader: How to Change  
People Without Giving Offense  
or Arousing Resentment

Principle 1:

Begin with praise and  
honest appreciation.

Principle 2:

Call attention to people's mistakes indirectly.

Principle 3:

Talk about your own mistakes before criticizing the other person.

*Reflection:*

*Do you have trouble admitting your mistakes and failures? Do you think failure has a negative connotation? Should it? Could taking ownership over our failures make us stronger leaders? How?*

*Exercise:*

*Do some research on leaders or famous figures you personally look up to. Watch a Ted Talk and see if you can find examples of them sharing their failures. Did it hold them back?*
