OSEEC: The Open-source Social Engineering Education Course

Unit A - Carnegie

Week 1 - Part 1
How To...Part 1, Sections 1-3

Part One: Fundamental Techniques in Handling People

"

Principle 1:

Don't criticize, condemn or complain.

The Open-source Social Engineering Education Course

"

Principle 2:

Give honest and sincere appreciation.

"

Principle 3:

Arouse in the other person an eager want.

Reflection:

Why are these basic concepts such a revelation for many of us?

Does being adept at social skills or social engineering require complexity to be effective?

"

Exercise:

Socialize with at least one person per day.

Actively review the 3 principles before and try to keep them in mind during your interaction.
